

**International Food Service  
Equipment, Accessories &  
Services Expo**

**December 11-13, 2025**

**Bombay Exhibition Center,  
Mumbai**

Co-located with

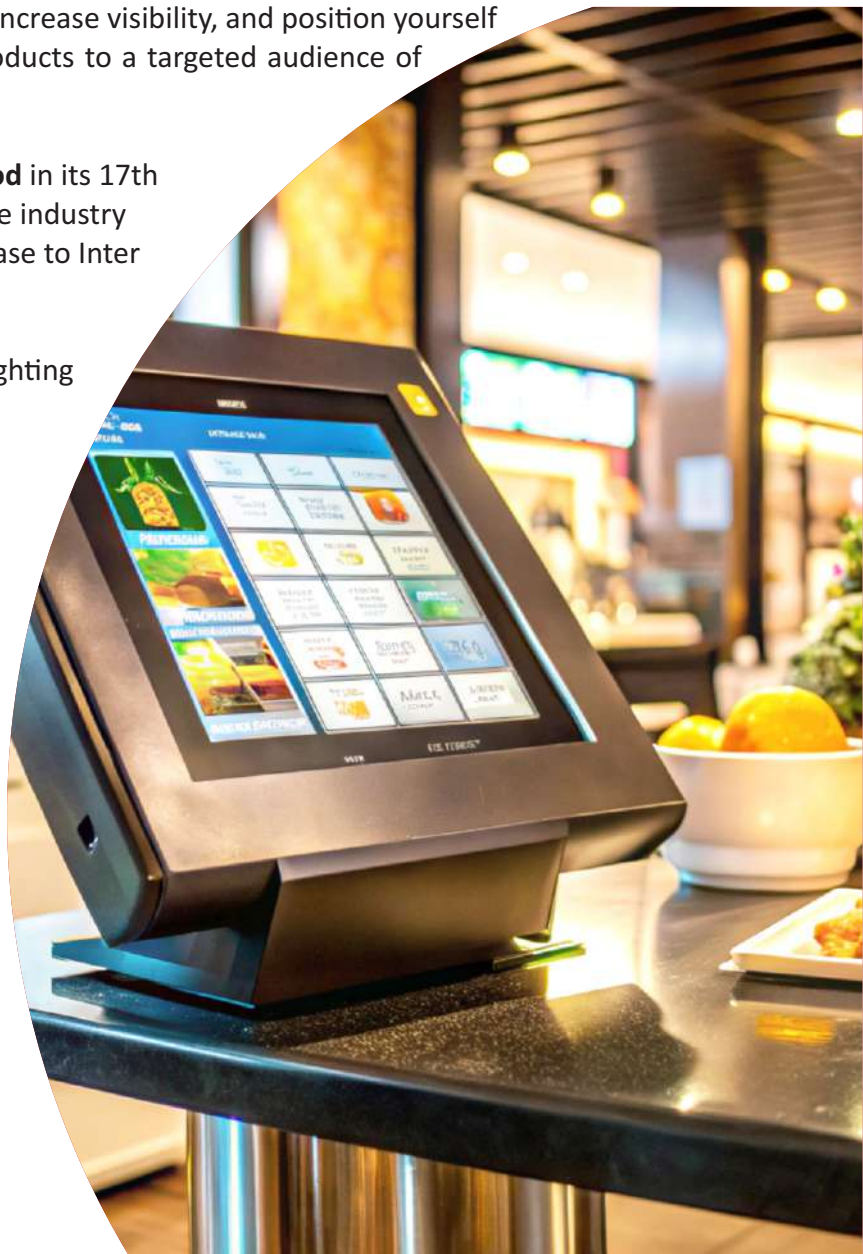

Inter Food Service is going to be positioned as a premier B2B exhibition dedicated to showcasing the latest innovations, technologies and solutions for the food service industry. Designed for professionals, businesses, and innovators in the food service sectors, this exhibition provides a unique platform for industry leaders to come together, network, and discover cutting-edge products and services to transform their operations

This event brings together **manufacturers, suppliers, distributors, service providers, and industry experts**, offering a comprehensive view of the future of food service equipment, technology & services. From cooking and food preparation tools to commercial refrigeration, POS systems, and sustainable solutions, attendees will have access to a wide range of high-quality products and services that enhance efficiency, safety and sustainability in food service operations.

## Why Exhibit?

- Exhibiting at **Inter Food Service 2025** offers numerous benefits for your business. It's a prime opportunity to promote your brand, increase visibility, and position yourself as a market leader by showcasing your products to a targeted audience of decision-makers, buyers, and influencers.
- Co-located trade fair, **Annapoorna Inter Food** in its 17th edition, is well known among the food service industry professional. This provides a ready visitor base to Inter Food Service exhibition.
- Demonstrate your latest innovations, highlighting the benefits of your products / services highlighting the industry trends.
- Network with suppliers, distributors, and other key stakeholders, creating opportunities for strategic partnerships and expanding your market reach.
- Spread over 10,000 sqm and expected to attract over 200 exhibitors from India and abroad.
- Whether you're aiming to enter new markets or solidify your position in existing ones, exhibiting allows you to drive business growth and demonstrate thought leadership, ultimately contributing to long-term success.
